DAY-BY-DAY ITINERARY:

DAY 01: TO BELIZE

Depart home and arrive in the afternoon to Belize's capital, **Belize City**. Meet your Southwind representative at the Goldson International Airport (BZE) and transfer inland to the scenic Cayo District. En route stop at the Belize Zoo and **Tropical Education Center** for an overview of the country's wildlife conservation goals as you begin your rainforest, ruins and reefs adventure in this western Caribbean nation. Arrive to the **Ka'ana Boutique Resort and Spa** near San Ignacio. A private welcome candlelight dinner is served in the La Ceiba restaurant. (D)

DAY 02: CAYO / CAVE CANOEING / ZIP LINE

After a fresh breakfast, begin your Inland Jungle Expedition inclusive in your stay. Drive by private vehicle with your guide 1 hour to **Barton Creek Cave** to board canoes. Paddle the gentle currents of a meandering creek through underground grottos carved through the mountain's limestone rocks while admiring impressive stalactites and stalagmites. Your guide describes the natural formations and ancient remains in this fascinating Mayan ceremonial cave plus the flora and fauna encountered. Stretching nearly two miles underground, this ancient cave can be explored only by canoe and using headlamps. This awesome trip amid tropical beauty will be something you'll always remember. At midday, lunch is at Barton Creek's picnic site with tables and restrooms available. This afternoon, we drive 30 minutes to **Calico Jack's** for a 2 hour zipline adventure. Soar through jungle treetops high above the forest floor along 7 runs and 12 platforms. The canopy tour involves traversing from one platform to another along a steel double cable suspended up to 80 feet above the forest floor. You will receive a safety briefing and outfitted with safety gear that includes a body harness, pulleys, helmet and gloves. Once geared up and checked, your tour starts with a short informative hike up to the first platform. After this thrilling experience, we transfer 1 hour back to **Ka'ana Resort** to relax with a Mayan cooking class. Gain insight into the culinary and cultural aspects of classic dishes like tamales, corn tortillas, and soups and the use of the *fogon*, an authentic Maya stove in a traditional kitchen. Dinner is on your own to unwind this evening. (B,L)

DAY 03: CAYO / MAYAN RUINS OR MOUNTAIN PINE RIDGE

Option A: Xunantunich ruins

Full day private guided tour of Xunantunich via a 1 hour horseback ride from Hanna's Stables. View the Xunantunich or *Maiden of the Rock* across the river from the village of San Jose Succotz. This major ceremonial center and museum is reached by a hand cranked ferry and is also near the eye-catching rapids of the Mopan River. Our visit (approx 2.5 hours) includes the El Castillo pyramid rising 131 ft above the plaza, making it one of the tallest buildings in Belize. This Mayan Classic Period structure has an impressive river valley view. The lower temple is famous for its large stucco frieze with a mask and large ears thought to represent the sun god. Adjoining is a moon sign with border symbols representing Venus. Afterwards, a private picnic lunch is served on the banks of the Mopan River. On the way back, we stop at the Succotz market, before continuing 20 min to the **Ka'ana Resort**. (B,L)

Option B: Mountain Pine Ridge

Full day private guided tour to the **Mountain Pine Ridge Forest Reserve** for horseback riding (approx 3 hr) or nature hike. The oldest of Belize's natural areas, the park encompasses a spectacular range of rolling hills, peaks and gorges formed from ancient rocks. The protected area is comprised of 300 sq miles of unpaved roads and nature trails. Encounter an entirely different tropical ecosystem with unique flora and fauna. Orchids and ferns of many varieties grow abundantly throughout the pine forest while rare and endangered bird species make this reserve home. Among the highlights are the Big Rock Waterfalls, Rio Frio Cave and Rio On pools. A box lunch is provided followed by a visit of a 1,000 ft waterfall. Return to the familiar **Ka'ana Resort** to relax by the gardens and for a restful night. (B,L)

Option C: Caracol ruins

Full day private guided excursion departing at 7:00am with a 4 hour round-trip drive (2 hours on unpaved road by 4x4 vehicles). The Caracol site is exceptional, located 25 miles south of San Ignacio in the foothills of the Maya Mountains within the **Chiquibul Forest Reserve**, near the border with Guatemala. Caracol or *snail shell* in Spanish was rediscovered in the 1920's and is one of the largest ancient Maya cities, covering 65 sq miles. Archaeologists have found the earliest dated carved stelae in the country, dating back to 400 A.D. The unearthing of this massive structure called Canaa or "Sky Place" is believed to have been completed around 800 A.D. This pyramid is the tallest and largest handmade structure in Belize. Additionally, a recent discovery of glyphs at Caracol, apparently portraying a military victory over Tikal, suggests this center was supreme in the region. Box lunch is included at a picnic site with tables and restrooms. On the way back take a refreshing swim at Rio On pools formed by interconnected granite boulders and small waterfalls, a perfect spot on a hot sunny day. Later, return to the **Ka'ana Resort** around 5:00pm for a leisurely evening. (B,L)

Belize: Caribbean Getaway

DAY 04: CAYO / AMBERGRIS CAYE

We depart Ka'ana and transfer to the airport in San Ignacio (or Belize City Municipal Airport) to board Tropic Air **flight to San Pedro** on Ambergris Caye - the largest island in Belize and hub of Belizean maritime trade for centuries. Fishing, coconuts, and chicle were historic means of islanders support, but the last thirty years have led to a large growth in both the Belize dive and scuba trade, and ecotourism. The town itself has a unique feel with international cuisine in beachside restaurants mixed with local diners serving traditional Belizean food. The streets bustle with local artists and craftsman displaying their masterpieces. The rich variety of things to do in San Pedro Town makes Ambergris Caye the gateway to Belize's barrier reef and Caribbean waters. On arrival transfer by boat 15' with other hotel guests to the sea front **Matachica Resort**. Enjoy the sea and lunch on your own. In the afternoon experience an exciting private guided paddle of a kayak and/or snorkel by the reef. The Barrier Reef, longest in the western Hemisphere, shelters the best stocked light-tackle fishing grounds of the western Caribbean. The water is warm, crystal clear and ideal for a great variety of water sports-- jet skiing, canoeing, windsurfing, kayaking, sailing, kite surfing, parasailing, fishing, snorkeling and scuba diving. Gear is available complimentary from the resort. This evening enjoy a welcome dinner at the award winning Mambo restaurant at Matachica perhaps followed by a moonlit stroll along the shore. (B,D)

DAY 05: AMBERGRIS CAYE / HOL CHAN MARINE RESERVE

Morning transfer to the marina to board the Seaduction catamaran with other guests and depart at 9am for a wonderful day at sea. We sail about 20 minutes towards **Hol Chan Marine Reserve** which is located off the southern tip of Ambergris Caye. Hol Chan is Belize's oldest marine reserve established in 1987, since then the reappearance of most species of fish have been quite significant. Hol Chan comes from a Mayan word for "little channel" and is currently home to over 160 species of fish, nearly 40 species of corals, 3 marine mammals and 3 species of sea turtle. You will enjoy a guided snorkel through the Marine Reserve and neighboring **Shark Ray Alley**. The entire reserve covers approximately three-square miles and is divided into four zones. The most recent zone is Shark Ray Alley where nurse sharks and southern sting rays, plus schools of fish congregate. It is a gorgeous site to snorkel. The shallow waters make the experience easy for visitors new to snorkeling to feel comfortable in the water and enjoy themselves. Once back on board you can rinse off with fresh water and settle in for the sail to **Caye Caulker**. When we reach Caye Caulker you will have time for lunch on your own at one of the cozy and simple local restaurants and explore the quaint island. After lunch, delight in a leisurely sail back to San Pedro to arrive at approx. 4:30pm. The catamaran service includes snorkeling gear, entrance to the marine reserve and refreshment & snacks (bottled water, sodas, beer, rum punch, shrimp cocktail and fresh fruit). Afterwards we transfer back to **Matachica Resort**. The evening is at leisure for exploring San Pedro -the Caribbean of old - via golf carts or bicycles (use of bicycles and kayaks is complimentary at Matachica). At day's end, you can savor a sumptuous dinner in town or at Matachica's Mambo restaurant. (B)

DAY 06: AMBERGRIS CAYE / BACALAR CHICO NATIONAL PARK

Accessible only by boat, **Bacalar Chico** is a 23 sq mile reserve and reef on the northernmost part of Ambergris Caye. The region covers intra-island lagoons, mud flats, sink holes, mangroves forests, savannahs, semi-deciduous forest and is home to many different animals including puma and jaguar. Join other guests for a morning boat tour escorted by your private guide. Bacalar Chico was established in 1996 and is now a World Heritage Site, along with the Belize Barrier Reef. We make our way along the island's leeward side to the ranger station in the reserve to see flora of the northern part of the island. We then head out to snorkel **Barracuda Reef** and **Rocky Point** where thousands of fish live amidst the coral reef creating a beautiful underwater environment. We may also encounter West Indian manatees. This area is home to the country's largest turtle nesting site, almost 200 species of birds, mangroves and several Maya archeological sites.

Later on, we head to **Robles beach**, where our guides will prepare a delicious lunch for you. Afterwards explore the deserted beaches, relax in a hammock or chill out in the tree house. Afterwards we return by boat to Matachica Resort. Later this afternoon, at 5pm, we depart for a special sunset cruise aboard the Sea's D Day houseboat. As we meander through the leeward lagoons on this comfortable vessel you can watch the sunset from the expansive second floor deck. Pre-order your optional wine from a selected list then sit back and enjoy the sunset sipping your wine and tasting a selection of gourmet tapas. The service includes beer, rum punch and mojitos. We will make our back to the dock at 7pm under romantic starlight. Transfer back to **Matachica Resort** for the night. (B,L)

DAY 07: BELIZE / USA

Just offshore of Ambergris Caye is Belize's 175 mile-long Barrier Reef which provides some of the best snorkeling, scuba diving, and fishing in the Caribbean, and in the world. This morning you can take a refreshing swim in the Caribbean before transferring to the San Pedro airport to board a **20 min Tropic Air air taxi flight** to the **Belize International Airport**. Check in on your own to your international flight home. (B)
